

# The Sunflower Fund

share a little save a life

07 August 2007

Dear Michelle

**RE: THANK YOU FROM THE SUNFLOWER FUND**

We would like to take this opportunity to thank you for sponsoring all those beautiful flower arrangements for our Sunflower "Ambassadors of Hope" tea. Your kindness is much appreciated.

**The Sunflower Fund** (Friends of the South African Bone Marrow Registry) is a non-governmental, non-profit organisation. Regrettably the Foundation receives no government funding and exists solely on donations from the public at large. Tissue typing is a very costly procedure - on average R250 per donor. There are currently just over 62,000 donors on the register in South Africa and we need at least 100 000 donors (representative of all ethnic groups) to make it a register which will work and find donors for those suffering from leukaemia and other life-threatening blood disorders. In order to increase the registry to 100 000 donors we will need to raise almost R9,5 million! This is an incredible amount of money which is why every single donation will bring us closer to this target. "THERE IS NO SUCH THING AS A SMALL DONATION!"

Thank you so much for being prepared to "Share a Little, to Save a Life".

Yours sincerely
