

Dearest Michele ...

Thank you so very much for creating my fairytale..you honestly made my dream come true!

Creating such detail, based on my vague imagination is a true art...

You have been an absolute pleasure to deal with, and cannot begin to tell you how greatfull I am that you agreed to do my flowers & decor ...

You went the extra mile in everything that you did for me / us.....which just shows the passion you have for what you do!

Entering the reception absolutely blew my mind...and brought both my mom & I to tears...the chapel was like something from the pages of a fairytale..

*I will recommend you **over & OVER & OVER** again...*

From the bottom of my heart – THANK YOU...

Till we meet again

Debbie & Mons Clark
